

Show the Castle Road in Google Maps

To display the route of the Castle Road in the Google Maps app on your smartphone, you can use the map available at <https://www.burgenstrasse.de/Prospekte-Service/Downloads.html>. Please proceed as follows:

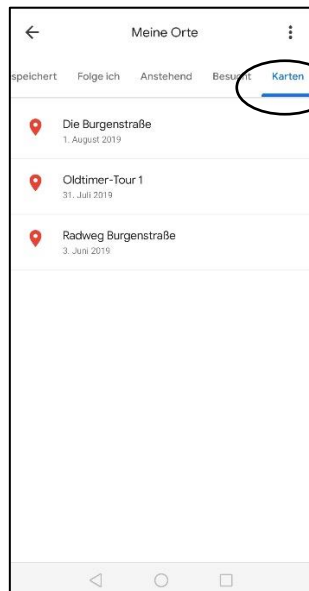

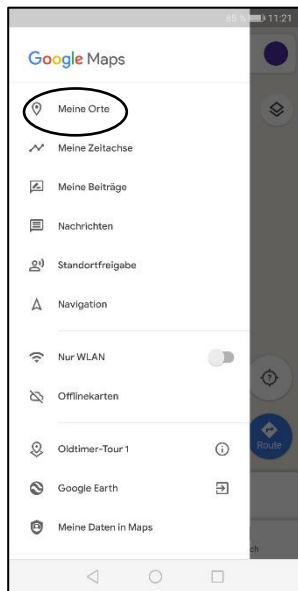

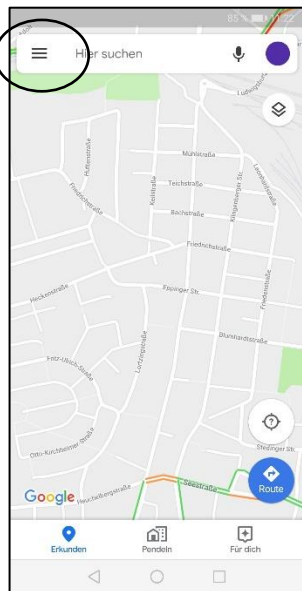

Mark the map by clicking on the star next to the title so that it turns yellow.

To display the map in the Google Maps app, a login to a Google account is required.

Open the *Google Maps* app on your phone.

Under Menu > My Places > Maps, select the map previously marked with a star.

The map will now be displayed in *Google Maps*. You can use the crosshair symbol  to display your current location.

Note: For technical reasons, live navigation with voice announcements, such as when entering an address, is unfortunately not possible using this method.
